## 7th Annual Golf Outing

The Feldpausch Foundation's 7th Annual Golf Outing will support the Cancer Care Medication Fund at the nationally recognized Bronson Battle Creek Cancer Care Center. The Cancer Care Medication Fund assures that cancer patients who have little or no insurance will have access to needed medications.

The Feldpausch Foundation will cover all expenses of the outing so all proceeds will go to The Cancer Care Center.

Bronson Battle Creek is the only Community Hospital Comprehensive Cancer Program in the area recognized by The Commission on Cancer (COC) of the American College of Surgeons. Bronson Battle Creek is one of only 24 hospitals in the country to receive the COC Outstanding Achievement Award three times in a row. Receiving treatment in a Commission on Cancer-approved program ensures that a patient has access to quality care close to home.
